Un invito alla contemporaneità ed assieme un richiamo alle atmosfere neoclassiche, luminose e sfarzose. I bagliori del bianco e dell'oro, dei metalli e della seta, si fondono con linee morbide e sobrie e decorazioni fatte a mano, per un insieme di grande fascino.

Invitation to the contemporary and at the same time neo-classic atmosphere, luminous and magnificent. Flashes of white and gold, metal and silk, soft simple lines, handmade decorations, all add to create great charm.
